A botanical illustrator is a person who paints, sketches or otherwise illustrates botanical subjects. Typical illustrations are in watercolour, but may also be in oils, ink or pencil, or a combination of these. The image may be life size or not, the scale is often shown, and may show the habit and habitat of the plant, the upper and reverse sides of leaves, and details of flowers, bud, seed ...

What Exactly is Camera Ready Art? The term "artwork" is often confusing to people outside of the printing industry. By art, the printing company is referring to a digital file (usually a PDF) of whatever it is that you want to have printed. It could be as simple as a logo, or even just one or more words of text, but it is still called "the artwork."
