Democratic education is an educational ideal in which democracy is both a goal and a method of instruction. It brings democratic values to education and can include self-determination within a community of equals, as well as such values as justice, respect and trust. Democratic education is often specifically emancipatory, with the students' voices being equal to the teacher's.

Overview of the Marxist Perspective. Marxism is a "structural conflict"™ perspective. They see society as structured along class lines with institutions generally working in the interests of the small elite class who have economic power (the "Bourgeoisie"™) and the much larger working class (the "Proletariat"™).
