Private universities (and private colleges) are typically not operated by governments, although many receive tax breaks, public student loans, and grants. Depending on their location, private universities may be subject to government regulation. This is in contrast to public universities and national universities. Most private universities are non-profit organizations

The issue saw increased coverage when President George W. Bush in July 2008 lifted a 1990 executive order by George H. W. Bush banning offshore drilling, while at the same time calling for drilling in the Arctic National Wildlife Refuge.. The issue of offshore drilling became central in the 2008 presidential election, not least because of the oil price increases since 2003.
