the top of the network marketing system: they want money more than they want to change quadrants. A 'B' quadrant or 'I' quadrant person will also work for money, but in a different way. The 'B' quadrant person works to build or create an asset – in this case, a business system. The 'I' quadrant person invests in the asset or the system.

### **Robert Kiyosaki on Network Marketing**

A true network marketing business is the exact opposite of a traditional business model. The network marketing business is designed to bring you up to the top, not keep you down at the bottom. A true network marketing business does not succeed unless it brings people up to the top. Additional Points Worth Mentioning  
1. Tax breaks increase.

Robert Kiyosaki was developing, that he arranged for both of us to participate in a test of the prototype. Because it was an educational game, I also asked my 19-year-old daughter, who was a freshman at a local university, if she would like to take part, and she agreed. About fifteen people, broken into three groups, participated in the test.
