Rules of Civility & Decent Behaviour In Company and Conversation is the name of a list best known as a school writing exercise of George Washington, who became the first president of the United States of America. Most of the rules have been traced to a French etiquette manual written by Jesuits in 1595 entitled "BiensÃ©ance de la conversation entre les hommes".

Virtue ethics is currently one of three major approaches in normative ethics. It may, initially, be identified as the one that emphasizes the virtues, or moral character, in contrast to the approach that emphasizes duties or rules (deontology) or that emphasizes the consequences of actions (consequentialism).

Chapter 3 Verbal Communication. In my junior year of college, I took a course in semantics, which focused on verbal language and solidified my interest in language. I love learning about the history of words, learning new words, and seeing how language changes over time and from one context to the next.

Media and Elections. The media are essential to democracy, and a democratic election is impossible without media. A free and fair election is not only about the freedom to vote and the knowledge of how to cast a vote, but also about a participatory process where voters engage in public debate and have adequate information about parties, policies, candidates and the election process itself in ...
