

sailing ship six thousand pdf

There are many different types of sailing ships, but they all have certain basic things in common. Every sailing ship has a hull, rigging and at least one mast to hold up the sails that use the wind to power the ship.. The crew who sail a ship are called sailors or hands.They take turns to take the watch, the active managers of the ship and her performance for a period.

Literature and Links . This is an overview on literature about model ship building and specific plans for some ships. There are two outstanding books I would recommend for beginners (and for advanced builders as reference work):

Literature and links, museums, historic ships and replicas

THE LOCKHEED CONSTELLATION, THE AIRLINER THAT SAVED AN AIRLINE.Or at least that was the plan. The Constellation has been referred to as the epitome of piston liners.
