But here's the main reason why you see trails on some planes but not on others, and I'll emphasize it, because although it's simple, it's also easy to miss.

Why do some planes leave long trails, but others don't

Take to the Skies. Every day, millions of people board flights bound for destinations across the United States and around the globe. Unfortunately, navigating sprawling airports and negotiating cramped planes makes traveling by air an uncomfortable experience for most passengers, and it can prove to be downright daunting for those with mobility challenges and other disabilities.

Because meat is cause of hunger and poverty in the world. Just as I myself hate being hungry and under-nutritioned, I feel the same for millions of my brothers and sisters born from same mother earth. If I could have killed myself to satisfy their hunger, I would have gladly done so. But for all I ...
