Out of these words blossomed the network that we know today as Eats On Feets. We call the milk sharing that happens on our network community breastmilk sharing.. Community breastmilk sharing works because mothers, fathers, professionals, communities, caring citizens and people just like YOU are joining together to help ensure that babies have access to commerce-free breastmilk.

Storytelling is a means for sharing and interpreting experiences. Peter L. Berger says human life is narratively rooted, humans construct their lives and shape their world into homes in terms of these groundings and memories. Stories are universal in that they can bridge cultural, linguistic and age-related divides.
