It has been linked to stereotypes and gender roles, and may include the belief that one sex or gender is intrinsically superior to another. Extreme sexism may foster sexual harassment, rape, and other forms of sexual violence.

Ida Lupino (4 February 1918 – 3 August 1995) was an English-American actress and singer, who became a pioneering director and producer—the only woman working within the 1950s Hollywood studio system to do so. With her independent production company, she co-wrote and co-produced several of her own social-message films, and was the first woman to direct a film noir, *The Hitch-Hiker*, in 1953.
