

social work an empowering pdf

Social work is an academic discipline and profession that concerns itself with individuals, families, groups and communities in an effort to enhance social functioning and overall well-being. Social functioning refers to the way in which people perform their social roles, and the structural institutions that are provided to sustain them. Social work applies social sciences, such as sociology ...

Thanks for checking out Social Work Tech, the blog about social work, technology, and empowerment. I want all Social Workers to understand technology tools and utilize them so that we can be better organized and improve assessment, diagnosing, delivery of intervention, and promote personal and professional development.

A Self-Assessment Tool for Clients and Social Work

In social work, empowerment offers an approach that allows social workers to increase the capacity for self-help of their clients. For example, this allows clients not to be seen as passive, helpless 'victims' to be rescued but instead as a self-empowered person fighting abuse/ oppression; a fight, in which the social worker takes the position of a facilitator, instead of the position of a ...
