Congressman John Lewis Keynote at Fall Conference The 2014 GCSS Fall Conference was special for several reasons. First, this is the 50 th anniversary of the GCSS conference. Second, a large number of teachers from all across Georgia participated in over 100 concurrent sessions as well as visited the exhibit hall filled with social studies resources.

A social-network game is a type of online game that is played through social networks. They typically feature multiplayer gameplay mechanics. Social-network games were originally implemented as browser games. As mobile gaming took off, the games moved to mobile as well. While they share many aspects of traditional video games, social-network games often employ additional ones that make them ...

History. Social network analysis has its theoretical roots in the work of early sociologists such as Georg Simmel and Émile Durkheim, who wrote about the importance of studying patterns of relationships that connect social actors. Social scientists have used the concept of "social networks" since early in the 20th century to connote complex sets of relationships between members of social ...
